

CNS The Leader Since 1980 Brings Neuro Rehab Home In Los Angeles

The Centre for Neuro Skills, an established leader in rehabilitation of persons with Traumatic Brain Injury, now offers Greater Los Angeles a cost-effective, comprehensive continuum of care. Client-specific rehabilitation programs are performed primarily in the home, community and workplace, and are complemented with local support from the CNS-Los Angeles clinic.

Practical Living Skills For Home, Community and Work

CNS-Los Angeles offers its expertise through clinic-based outpatient and day treatment, as well as home and community programs. Outcome-driven, CNS-Los Angeles helps clients regain and perform the skills necessary to function at home, in the community and at work.
